DIRECT DEBIT FACILITY is available in Australia

The church is able to offer the facility of direct debit for your convenience.

The direct debit facility enables a specified amount to be automatically debited from a donor's account on a pre-determined, periodical basis and then credited to the church's account.

This authority needs to be provided by the donor by completing the form called "PDC Authority and the Services Agreement" are available at;
http://www.gci.org.au/donation_options

This form is then sent to the National Office for processing.

Changes:

Amount changes can be emailed to accounts@gci.org.au and as long as we have a completed "PDC Authority" we can update the amount under the terms of the Service Agreement..

Changes to bank accounts require the completion of a new "PDC Authority" with the signed copy to be sent to the National Office.

Direct Debit Information

Most financial institutions participate in the Direct Debit system.

The main benefits for those considering using this facility are its convenience, it is a time saving method of donating - no postage is involved and it also provides a high level of security. It is one of the most cost effective ways of forwarding contributions, **with each transaction costing the church just \$0.08 cents.**

Further information regarding the direct debit facility or requests for the authority form "PDC Authority" can be posted to you upon phoning or emailing the National Office on phone (07) 5553-6000 or fax (07) 5562-2872 or email accounts@gci.org.au
